Deshmukh Hi-Tech Irrigation & Farm Agencies

For Wellness of Farmers

www.deshmukhhitech.com

Hi There

We at Deshmukh Hi-Tech are leading provider of agricultural solutions established in 2010. We are specialized in advanced irrigation systems, landscape irrigation, pumps, PVC pipes, and offer a wide range of agricultural tools and machinery. With a focus on quality and customer service, we have built a strong reputation in the industry.

About Us

“Agriculture is our wisest pursuit, because it will in the end contribute most to real wealth, good morals & happiness.”

The journey of Deshmukh Hi-Tech began in 2010 as an ordinary retail shop in Sortapwadi near Uruli Kanchan, Pune started by Mr Girish D Deshmukh (Founder and MD). What started as a small endeavor soon transformed into a remarkable entrepreneurial success story.

Initially established as an Irrigation Dealer, the company gradually expanded into horizons in different sectors of Agriculture, Landscape, Commercial, Residential and Exports .This transition marked a pivotal step in its evolution.

Today, Deshmukh Hi-Tech operates three thriving sub-branches across Pune district, catering to the diverse needs of the agricultural and landscape community. Also it has set himself as a trusted partner for commercial projects and exports needs. Over the years, it has earned the reputation of being a trusted partner for customers, embodying innovation, reliability, and excellence.

Deshmukh Hi-Tech continues to stand as a testament to unwavering dedication and a commitment to empowering the farming and landscape community.

Established the foundation of the company with a strong vision for innovation in agriculture.

2010

2010-2011

Partnered with India's leading drip irrigation brand, JAIN IRRIGATION as Authorised Dealer to deliver advanced irrigation solutions.

Successfully executed the first automation project for BASF, covering more than 40 acres of project area.

2013

Started journey of Exports by exploring the Gulf market by exporting fruits and vegetables, marking a significant step toward global business operations.

2015

2017

Established branch offices in Choufula and Saswad to enhance regional accessibility.

Expanded export operations to Africa, offering irrigation systems and agricultural machinery tailored to local needs.

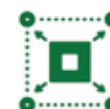

2019

2020

Diversified into the local market with a new segment focusing on Agriculture and Landscape Tools and Machinery.

Introduced cutting-edge technology of Agriculture Drones*

2022

2024

Achieved a significant milestone by setting up a state-of-the-art corporate office and Mall symbolizing the company's growth and future aspirations.

Our Mission

To deliver innovative and sustainable products and services that meet the evolving needs of our customers, ensuring true value for their investment and fostering long-lasting relationships built on trust and satisfaction.

Our Vision

To emerge as a trusted and renowned leader in the agriculture and landscape sector, known for our unwavering commitment to quality, reliability, and customer-centric solutions.

Our Goals

To establish ourselves as a brand and trust among farmers, customers and dealers. To consistently enhance the agricultural ecosystem with cutting-edge solutions tailored to meet modern challenges.

Our values

Integrity
Innovation and Technology
Sustainability with Quality

Girish Deshmukh

Founder & Managing Director

Mr. Girish D. Deshmukh, Founder and Managing Director, holds a pharmacy degree and an MBA in marketing. Despite a humble farming background with no business experience, he started this journey with passion and determination.

Through global travels and strategic leadership, he has successfully expanded the business, making it a trusted name in the agricultural sector.

Pratik Deshmukh

Director

Mr. Pratik M. Deshmukh, a visionary leader with a degree in Agricultural Engineering and an MBA in Marketing, brings over a decade of expertise in the agriculture sector.

Since joining the company in 2020, he has spearheaded the machinery segment, driving innovation and growth. With his strategic insights and commitment, he plays a pivotal role in shaping the company's business development and expanding its horizons.
